PERSONAL STATEMENT

I'm a 23 years old Game and Web Designer from Zimbabwe currently studying in Cape Town. I love everything that has to do with Web design & development, User Interface design, and I feel a true devotion for scripting.

I love working with people, specially if they have the same passion I have for what they do.

Why don't we work together? Go further down to see why I am the man you need!

WORK EXPERIENCE

MARTIN EAGLES TEAM BUILDING : THE BIG DEAL

Game Designer, Web Designer & Developer, 2016 -now

I am currently working on a game for an international company using HTML5, CSS, NODE.js and Javascript. I am the lead scripter on the project. This is a freelance project that I learnt so much from concerning javascript development and server management. The project team consisted of six members including me.

SELECT MUSIC : SIDEKICKS

Game Designer, Scripter, 2015-2016

This project was a mobile based game developed in the Unity Engine using Javascript and C# coding. I was the lead scripter on this project. The project team consisted of four members including me.
